Coastal Flood Advisory

Island County
Public Safety through Public Works

WEATHER ALERT

January 11, 2021

NWS has issued a coastal flood advisory

For Tuesday's morning high tide 0300-0800

Port Townsend high tide projected at 10.6' @ 0506

Seattle projected at 13.2' @ 0522

These levels include the anomalies

ADDITIONAL DETAILS from NWS: Tidal anomalies are expected to be up to one foot. These tidal anomalies have the actual tide above the level in the tide tables. The threat of minor tidal overflow will be greatest within an hour or two of high tide. High tides will generally occur between 5 AM and 6 AM.
