

Island County

Serving the communities of Camano & Whidbey Islands

District 1 News - March 23, 2020

A message from Commissioner Price Johnson:

The safety and health of our community is our highest priority. Human beings are vulnerable to the coronavirus, and also to the anxiety caused by fear and isolation. In this time, help is available by phone through Island County Human Services. We realize recent closures and social isolation can have a significant impact on your family's needs, physical health, and mental health.

We provide assistance in the following areas, Click on link to go directly to the program page:
