

**Sunday, November 1st**  
**5:00 - 8:00 pm**

All Souls Eve, a community event of remembrance, is held yearly on the 1st of November at the Langley Woodmen Cemetery, at the end of Al Anderson Avenue.

This year we are able to hold this event, but with the following COVID-safe guidelines:  
Please wear masks and respect social distancing.

Luminaries will line the cemetery road, as usual,  
but this year we are requesting that visitors bring their own luminaries  
to place on graves or in an area for loved ones not buried in the cemetery.

We are sorry not to be able to distribute luminaries this year,  
but look forward to seeing the creative luminaries that people make.

As the evening progresses, the cemetery will fill with the light that we all bring.

Come at anytime between 5:00 and 8:00 pm.

Reply email if you would like to help with the event  
by setting out luminaries, greeting people (socially distanced!)  
or picking luminaries up at the end of the evening.
