

Langley Paving Project Starting Sept 11, 2019

The Langley Paving Project will begin next week on September 11th. It will consist of milling off the existing deteriorated asphalt and replacing it with new pavement on Second Street, Third Street, Park Ave and DeBruyn Ave. Also new ADA ramps will be installed at Second Street and Anthes Ave. SRV Construction is the general contractor and will work four ten hour days, Mondays through Thursdays. Please expect traffic delays. The project contract is for 25 days of work. This project is funded with a Fed-Aid Roadway Preservation grant administered through Island County.
