

CANCELLATION NOTIFICATION

CITY OF LANGLEY

DRINKING WATER SYSTEM FLUSH

ALL CITY WATER SYSTEM USERS are hereby notified that the City of Langley Water System Flushing scheduled for March 17, 18 and 19 has been cancelled.

The process of flushing the water system is very demanding on the Public Works Crew. This physical task requires long hours of diligent attention and oversight by the entire crew. With the closures of schools and physical distancing recommendations in place it is in the best interest of City Staff and the community that this task be rescheduled at a later date.

The City will notify residents when this work is rescheduled.

FOR QUESTIONS: Please contact City of Langley Director of Public Works at 360-221-4246, or email langleyutilities@whidbey.com

Thank you for your patience.
