The Community Planning Department has been working with Placemakers Consulting LLC to prepare and adopt a form based code for Multi-Family Infill. Details of this project can be found [here](#).

Hazel and Susan of Placemakers will be seeking input from Council about this [assessment document](#). This will be an opportunity for Council to discuss how multi-family infill can be accomplished in the City of Langley. Council members will also be asked about their hopes and concerns about these possible amendments.

On October 13<sup>th</sup> a community meeting was held where we received input about the proposed code. You can find the discussion, power point and comment documents [here](#).

The workshop is expected to be one hour in duration. It will be recorded and posted on the project web page.

Contact Brigid at [planning@langleywa.org](mailto:planning@langleywa.org) if you have any questions.
