Owner-Builder Disclosure Statement - I hereby attest that the project referenced above will not require the use of a registered contractor. I acknowledge receipt of the State of Washington Department of Labor and Industries publication "Before Hiring A Contractor." If after issuance of this permit, I decide to employ members of more than one trade for this project, I recognize that Washington State law requires all contractors to be registered. I understand that there are risks and liabilities involved when using an unregistered contractor. I have read RCW 18.27.010 relating to definitions of general and specialty contractors and RCW 18.27.110, which prohibits issuance of permits without proof of contractor registration.
